Dear Ceri,

Just to let you know Caerphilly Council have objected to the removal and not agreed to adoption of 01443 830099 The Square, Glan y Nant, Blackwood. The kiosk will remain in place, but, may well be proposed for removal again in a future rationalisation programme.

Yours sincerely

Good morning Ceri

As the kiosks are currently under consultation with Caerphilly Council for removal,. I have logged an application onto our database showing the Council's interest in adopting the one Kiosk pending Caerphilly Council's response to our proposals , as Caerphilly has until the 3rd December to respond to our proposals you should ensure that you make your views known to Caerphilly Council as they will complete and return the annex in response to all of our proposals within their area.

Best regards

Dear Mr Thompson

I am writing with reference to your consultation proposals in removing underused payphones.

We only have 3 pay phones within our community council area under consideration. Two of which we agree to their removal.

The 3rd is telephone number 01443530099 NP12 3XF – Nr traffic lights & P.O 1PCO The Square Glan y Nant, Blackwood - we object to its removal in the first instance, because the number of calls, 102, seems high in comparison to other calls from other phone boxes.

If our objection to its removal is not upheld then the Community Council would certainly like to be considered in adopting the red phone box.

Please find attached annex (page 1) with our decision on 3 of the payphones in our area.

Please acknowledge receipt of my email.

I look forward to hearing from you.

Cofion cynnes / Warm regards, Ceri
